

SUMMARY

This family of corded tapes are simple to use. In either reversible with a simple "S" style pencil pleat and variable fullness or single sided with the classic D pleat the tapes can be constructed with various sewing lines to identify quality or to help with identification.

Pockets

Three rows of strong polyester cords give the option to hang the curtains below a pole or to hide a track.

Draw Cords

Strong Polyester draw cords are used.

Make Up

The tape is available on 50m and 100m Rolls and 500m Layered Boxes

ECONOMY

A lighter weight tape made with lower weft density for economy and easy of use

Product reference CT301
