

*A narrow heading tape for light weight sheers and voiles made with translucent monofilament yarn. Special construction fabrics and short length curtains. Easy pleating with special light weight yarns to create a D pleat pencil pleat whilst leaving the fabric in control of curtain shape.*

- *Two rows of pockets*
- *2 draw-cords*
- *2.2 times fullness*

### Make Up

*The tape is available on 50m rolls*

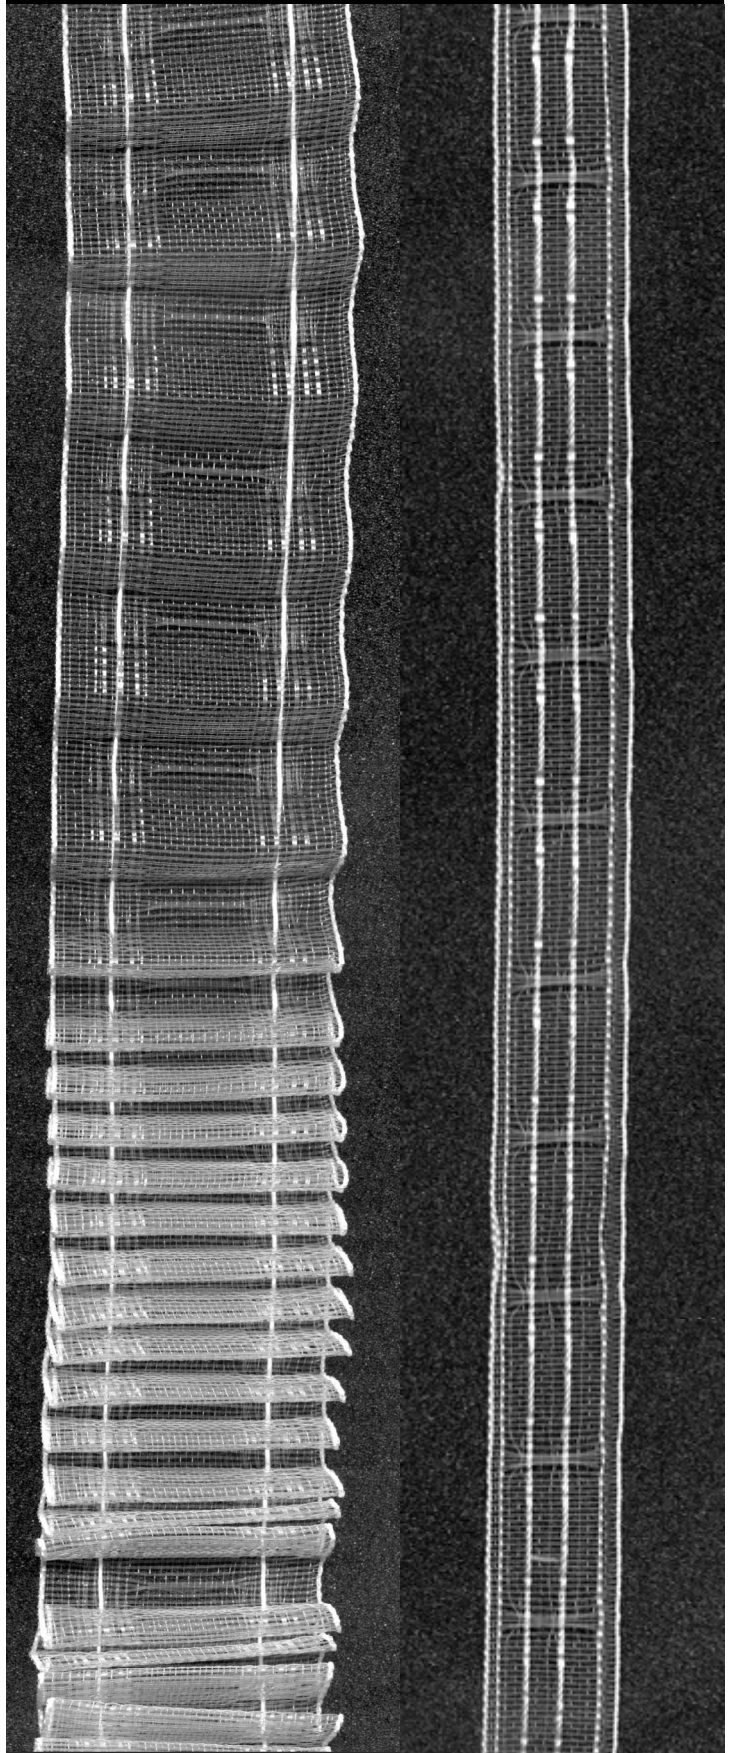

*A translucent tape for the construction of festoon or Austrian blinds.*

- *Cross loops for draw cords*
- *2 High tensile polyamide non-stretch draw cords allow the tape to be evenly pleated with a single row of stitching*
- *Variable fullness*

### Make Up

*The tape is available as 100m rolls in dispensing boxes or on 100m spools*
